

When using the NY GHI/Emblem provider finder, please select only Primary and Specialty Care, Primary Care Provider, Hospital Facility or Other Service, or Chiropractic Services.

Choosing another provider option may return search results that include providers not covered by your plan. If you use providers not covered by your plan, you will be responsible for all expenses.

Important information about certain services

Access to participating GHI/Emblem providers does not include:

- **Lab services:** You must use Labcorp for all lab services, regardless of network.
- **Behavioral health:** You must use the Magellan network for all professional, in-patient and out-patient behavioral health services, regardless of network.
- **Immunizations:** When obtaining a flu shot or the shingles or pneumonia vaccines at a non-participating GHI/Emblem provider or facility in New York, you may incur upfront costs. You may be reimbursed, up to a certain amount, by submitting the paid immunization receipt along with the [Seasonal Flu Reimbursement Form](#). See the form for instructions.
