This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the *Evidence of Coverage* or go online at amerihealthmedicare.com.

This *Summary of Benefits* booklet gives you a summary of what AmeriHealth Medicare Core PPO, AmeriHealth Medicare Enhanced PPO, AmeriHealth Medicare Secure PPO, and AmeriHealth Medicare Ultimate PPO cover and what you pay.

AmeriHealth Medicare Core PPO, AmeriHealth Medicare Enhanced PPO, AmeriHealth Medicare Secure PPO, and AmeriHealth Medicare Ultimate PPO are Medicare Advantage PPO (Preferred Provider Organization) plans. With a PPO plan, members don't have to choose a primary care physician (PCP) and can go to doctors in or out of the plan's network. If members use out-of-network doctors, hospitals, or other health care providers, they will pay more for their services.

If you want to compare our plans with other available Medicare health plans, ask the other plan(s) for their *Summary of Benefits* booklet. Or, use the Medicare Plan Finder at **medicare.gov**.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare and You" handbook. View it online at **medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Initial Coverage Stage	During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost. You begin in this stage when you fill your first prescription of the year. You stay in this stage until your year-to-date "total drug costs" (your payments plus any Part D plan's payments) total $5,030. If you reside in a long-term care facility, you pay the same as at a standard retail pharmacy.
Coverage Gap Stage	Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches $5,030. After you enter the coverage gap, you pay 25% of the plan's cost for covered brand-name drugs and 25% of the plan's cost for covered generic drugs until your costs total $8,000, which is the end of the coverage gap. Not everyone will enter the coverage gap.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Help Team representative at **1-866-569-5190 (TTY/TDD: 711)**.

Understanding the Benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **amerihealthmedicare.com** or call **1-866-569-5190 (TTY/TDD: 711)** to view a copy of the EOC.

- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor

- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

- ☐ Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2025.

- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.

- ☐ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
